The Blueprint

450/-

Precision. Purpose. Passion.

You once sketched lives in metal and machines—
blueprints inked with logic and imagination. This cocktail
honors that first chapter: built on symmetry and
balance.

Ingredients:

Gin, Hibiscus, Citrus, Lime, Peach

The Terminal Pour

450/-

Jet lagged. Departures in your chest : Arrivals in your glass.

From Delhi to Pune, Mumbai to Frankfurt, airport terminals became your in-between worlds. This cocktail captures the thrill of a new boarding gate with the ache of leaving something behind—bittersweet, effervescent, and always just in time.

Ingredients:

Whiskey, Tamarind, Kokum, Pineapple

The Espresso Embassy. 450/-

Diplomatic in aroma. Disarming in strength.

Across continents, the first thing you searched for was coffee. But not just any cup—an espresso with story, silence, and steel. This cocktail is dark, intense, and served like a conversation between two strangers at a tiny cafe table in Rome.

Ingredients:

Vodka, Chocolate ganache, Espresso,
Kahlua

Smoked Layover

Ingredients:

Tequila, Mango nectar, Jalapeno, Coriander,
Lime

The Engineer's Palate 450/-

Gin, Lemongrass & in-house spice cordial,
Lime, Beetroot & Apple

Nomad Negroni

Ingredients:

Espresso, Campari, Caramel, Orange peel

The Rhine Reflection

525/-

Quiet moments on a river that rarely speaks above a whisper.

It was along the Rhine that you learned to sip slowly, think deeply, and trust the stillness. This cocktail carries floral whispers, cold calm, and the kind of introspection only a river view can teach you.

Ingredients:

Tequila, Fresh thyme & ginger, Real orange,
Honey water, Lime

Double Espresso, No Regrets 525/-

One foot in the boardroom. The other in the bar.

Some days were 18 hours long. You powered through with double shots and late-night bourbon. This cocktail captures the grind, the hustle, and the caffeine-laced courage that kept you moving forward without pause.

Ingredients:

Whiskey, Baileys, Kahlua, Hazelnut, Espresso

Mumbai to Germany 450/-

The line between two worlds, stirred not shaken.

Vodka, Green apple, Elderflower, Basil,
Lime

Tarmac & Tannins 425/-

Runways and red wines. That was your after-hours. Wine wasn't just a drink—it was a ritual. Whether in Paris or Cape Town, your glass swirled with history. This cocktail brings the vineyard to the runway. Fruity. Structured. Always just boarding.
